I have been a Christian magical entertainer and evangelist for over 30 years and I illustrate the Good News of Jesus Christ using a wide range of tricks, optical illusions, puppets, guitar choruses and clever mechanical devices.

The messages which I give are taken straight from The Bible and are true and to the point. The way that I present the messages ensures that they will be remembered long after the presentation has finished.

My shows and presentations may be performed inside or out of doors and they always pull a crowd of adults, children and young people.

I have presented Gospel magical presentations and puppet shows at churches, Living Water, show grounds and other outreach events all over the Home Counties and East Anglia.

My presentations and shows are for any age old or young and are suitable for:

- * Holiday clubs * * Praise parties * * All age services * * Church fun days *
- * Puppet workshops * * Creative evangelism * * Alternatives to Halloween *
- * Showground and National Events *

Please note that as I am a full time professional entertainer, all my shows and presentations are covered by £10,000,000 public liability insurance for your complete peace of mind.
